WE NEED YOU TO MAKE WISHES COME TRUE!

About Kids for Wish Kids - The program is designed for kids K-12 to help grant the wishes of facing critical illnesses. Kids are responsible for the program; from brainstorming fundraising ideas, to developing a plan of action and managing their fundraisers from start to finish.

Teachers and parents often serve as advisors, but ownership of the project belongs solely to the kids involved. In addition to granting wishes, kids can expect to walk away with a better understanding of:

✓ Community Service
✓ Leadership Skills
✓ Money Management
✓ Teamwork
✓ Entrepreneurship
✓ School spirit

Wish Week is a week’s worth of fundraising, made up of daily fundraising events to help Make-A-Wish grant the wish of a child in your community! An individual, group of students or small steering committee can start a Wish Week; and teachers, principals and club advisors are often excellent resources. Together, your school can create an experience that will leave your entire community with memories to last a lifetime as you make wishes come true for San Diego kids.

Kick Off Assembly | Miracle Minute | Spirit Day | Sports Event | “A-Thon” Event | Grand Finale

You can make a difference!

Students who participate in Wish Week do much more than help grant wishes. By engaging in a Wish Week or a Kids For Wish Kids project, you’ll learn the importance of community involvement, philanthropy, leadership skills, and how to work with others towards a common goal—all while having FUN and building school SPIRIT!
